Brick Business Law, P.A. Honored in the 2023 Seminole 100

TALLAHASSEE, Fla. – Brick Business Law, P.A. based in Tampa Florida, has been named as one the fastest-growing companies owned or led by Florida State University alumni. They will be honored during the 6th annual Seminole 100 Celebration on Saturday, February 25, at the university’s Student Union ballrooms.

Florida State University’s Seminole 100 is powered by the Jim Moran Institute of Entrepreneurship in partnership with the FSU Alumni Association. The top 100 fastest-growing FSU alumni-owned or alumni-led businesses are recognized at a celebration each year on FSU’s campus, during which each company learns their numerical ranking and receives their award. This event recognizes and honors FSU's entrepreneurs and allows them to share valuable business insights with each other.

Founded in 2015, Brick Business Law, P.A. represents clients throughout Tampa Bay and the State of Florida. Brick Business Law provides legal representation throughout Florida courtrooms and boardrooms. If your business needs to vigorously pursue a claim, expertly defend a lawsuit, or just needs a trusted day-to-day legal advisor, we are the Florida firm that is prepared to be hyper-focused on your business’s legal needs.

“The alumni on the Seminole 100 list represent 12 schools and colleges across Florida State University and show the immense value of a degree from FSU,” said Julie Decker, president and CEO of the FSU Alumni Association. “The accomplishments of these alumni exemplify what is possible with tenacity and innovation. We are proud to recognize them for all they have achieved as leaders and entrepreneurs.”

The 2023 Seminole 100 includes companies from several industries such as construction, finance, legal, marketing and realty. Of this year’s 100 companies, 80 are based within the state of Florida and a total of 12 U.S. states are represented as part of the 2023 Seminole 100.

To qualify for the Seminole 100, a company must have operated for at least three years and generated revenue by Jan. 1, 2019. In addition, the business must have been owned or led by an FSU alumnus for three consecutive years prior to applying.

Nominations for the 2024 Seminole 100 are currently open on seminole100.fsu.edu. Applications will open on May 1 and be accepted through July 23, 2023.
