Employer COVID19 Testing

We understand the urgency in returning your employees to work and/or having a plan for possible workplace exposure and we are here to assist you. Due to the demand for testing and the limited testing capability, we are pleased to offer this service under the following requirements:

- All testing will be conducted as drive through testing at our Carrollwood Location: 4505 Gunn Highway, Tampa FL 33624, or our Brandon Location: 799 West Lumsden Road, Brandon FL 33511 on designated days and times.
- You must have no less than 10 employees who require testing.
- All tests will be PCR tests also called a molecular assay. This is a nasopharyngeal swab sent to one of our lab partners, Lab Corp or Quest. Due to the national/local demand for testing all labs are experiencing heavy volumes with a 7-10-day reporting. As additional resources are allocated, we expect reporting to improve.
- All services shall be billed insurance as long as it is an in network insurance (Use this link to determine in network insurance eligibility) <https://www.fasttrackurgentcare.com/insurance/>.
- If employee does not have a currently accepted insurance the employer shall be billed for the service with ½ due upfront. Discounted Employer Charge includes \$75.00 Collection and \$150.00 test = \$225.00.
- Prior to scheduling the service, the employer will be required to sign a service agreement.
- Employer shall fill out the appointment spreadsheet for designated day of testing and return 72 hours prior to testing date.
- For any non-insured or non-accepted insurance employee, employer shall provide credit card on file for billing.
- Each employee fills out registration paperwork and return 48 hours prior to testing date. Any employee who has not returned required paperwork will be unable to test.

If these requirements meet your needs, let me know and I would be happy to give you a call to gather the necessary information to get the process started.
