Home Helpers of East Tampa Honors Abigail Sanchez — Named "Home Helpers of East Tampa Exceptional Caregiver of the Year" for Service Excellence

One agency's winner will be selected to be the Greater Tampa Bay Area Exceptional Caregiver of the Year

February 9, 2021 – (Tampa, FL) On February 15th, Abigail Sanchez was recognized for her exceptional service to the Bay Area's senior community as the East Tampa nominee for the Second Annual Greater Tampa Bay Area Exceptional Caregiver of Year Award. Six Home Helpers franchises, serving four Bay Area counties, have nominated caregivers that have illustrated Home Helpers' commitment to client satisfaction throughout the year.

"The exceptional caregiver award is a distinction to caregivers who are helping clients improve the quality of life with the care they provide," says Ursella Slusher, the Director of Operations of Home Helpers of East Tampa. "It is important to acknowledge and award the people who are doing back-breaking work day after day, often with no benefits, low wages, and not a lot of appreciation. Our caregivers' hearts are in the right place; we have to acknowledge them."

The East Tampa office recognized all our exceptional caregivers that have shown dedication and love to our clients throughout the 2020. We would like to take this opportunity to thank Rene Williamson, Zachari Crews, Melissa Seidell, and Marie Henderson for their truly amazing work as caregivers through a global pandemic. These women stayed loyal to our clients and our values, and we are thankful for them every day.

We are excited to nominate Abigail Sanchez as Home Helpers of East Tampa's candidate for the Greater Tampa Bay Area Exceptional Caregiver of the Year Award. Abigail brings her passion into work every day. She is dependable and reliable, almost never calls out or is late. Abigail loves what she does. When asked why she became a caregiver, Mrs. Sanchez said, "I became a caregiver to make a difference in someone's life and to provide love and care."

All of the Greater Tampa Bay Area's incredible nominees will be recognized on social media, due to COVID-19 restrictions on events. One caregiver from the six franchisee's nominees will be selected to receive the Greater Tampa Bay Area Exceptional Caregiver of the Year top award and a \$500 prize.

About Home Helpers of East Tampa

Home Helpers is a provider of non-medical, private duty home care and was founded in 2017. It is our mission to be the most trusted and respected provider of private duty home care services and support for individuals who choose to remain independent in their homes and communities.
