Thomas Howell Ferguson P.A. CPAs Congratulates Alyssa Roti and Matt Walker on Their Move to our Tampa Office

July 12, 2016 - Tampa, FL – Thomas Howell Ferguson P.A. CPAs, a professional accounting, assurance, and tax services firm, congratulates Alyssa Roti and Matt Walker on their move to our Tampa office. With a large corporate client base in Tampa, Matt and Alyssa will now be more accessible to clients.

Alyssa Roti attended Florida State University and received her bachelor's degree in accounting. She went on to receive a Master of Taxation. Alyssa is a CPA and a Senior in the Tax Services department. She has over three years of experience in tax accounting where her main focus has been on large insurance and corporate clients. Alyssa's role on the insurance team has enabled her to specialize in the unique requirements of insurance companies. These entities have specific rules and regulations for tax purposes, as well financial reporting purposes through the use of the STAT basis of accounting instead of the traditionally used GAAP basis. In addition to her experience with large corporations, she also has experience in preparing and reviewing insurance premium tax returns, which for many states replaces the corporate income tax at the state level.

Matt Walker graduated from Florida State University with a bachelor's degree in accounting. Matt is a Senior in the Assurance Services department and has over four years of experience in public accounting, providing assurance and accounting services. Matt serves as the engagement in-charge, which includes assuming responsibility for completion of engagements and supervising staff. These engagements have included clients in the insurance, not-for-profit, commercial, and employee benefits industries. He also has experience in compiling quarterly and annual financial statements under a statutory accounting basis. Matt has passed all four parts of the Uniform CPA Examinations and is currently in the process of becoming a licensed CPA.

Thomas Howell Ferguson P.A. CPAs would like to congratulate these team members on their move to Tampa.
